

COVID Guidelines

- **All clients must wear a face covering at all times. This includes while using a cage or on the infield.**
- **Please remain home if you are feeling sick, have a fever, have been in contact with someone that tested positive with COVID-19, or traveled to an area that has a high rate of positive COVID-19 cases.**
- All clients must remain 6 feet from each other when in the facility and the Pro Shop.
- Parents, siblings, and friends are not allowed in the facility as spectators. This will reduce the number of people in the facility at any given time.
- No more than 5 clients at a time are allowed in the Pro Shop.
- SPP employees will sanitize the facility and common areas daily, including at the start and end of each shift, and every 2 hours while on shift.
- There are hand sanitizing stations throughout the facility that we encourage everyone to use frequently.
- Equipment that SPP makes available for their clients, such as helmets, balls, and bats should be used sparingly by our clients. We have moved these items to the Pro Shop to ensure they are properly sanitized before and after each use. See Pro Shop staff to obtain equipment.
- SPP discourages hand to hand contact such as handshakes, high-fives, and fist bumps.
- All clients should avoid congregating in groups.
- ***The water fountain will not be accessible at this time. Please be sure to bring enough water with you or you may purchase bottles of water in the Pro Shop.***
